Dear Toby:

It is with great pleasure that I write to officially designate you and your firm, The Moffett Group, as the official representative of the Central Bank of Somalia in the United States.

We look forward to receiving your assistance as we seek to progress on a number of important fronts. Of these, the most critical is to determine where funds rightfully belonging to Somalia and its people are still frozen in U.S. banks or other financial institutions. Now that the U.S. and Somalia have resumed normal diplomatic relations, it is critical that any frozen funds, perhaps due to previous sanctions, be released back to the Central Bank of Somalia.

I understand that you will work closely with members of Congress from both parties on this matter and several Congressional members are requesting the Secretary of the Treasury to address this issue and to determine the location and amounts of these funds.

Moreover, we are naturally putting a high priority on engaging the international institutions as well as the Federal Reserve System to fully restore our relationship with them. We appreciate your assistance in this area as well.

I look forward to my visit to the U.S this month for the annual IMF meetings and it is my hope that we will have made progress on these matters by the time I arrive and can work together during my visit to make even more progress.
